## SUMMARY

---

Cybersecurity graduate with hands-on experience in SOC operations, threat detection, penetration testing, and incident response. Skilled in SIEM monitoring, network security, and security analysis. Holds CCNA and CCT certifications with practical experience in cybersecurity labs and professional training programs.

## TECHNICAL SKILLS

---

**Security Tools:** Wazuh SIEM, Kali Linux, Wireshark, Nmap, Metasploit, Burp Suite, OWASP ZAP

**Competencies:** SOC Monitoring, Threat Detection, Incident Response, Vulnerability Assessment, Network Security.

**Development:** Python, ASP.NET, OpenCV, MySQL.

**Networking:** TCP/IP, Routing & Switching, Network Security (CCNA).

**Platforms:** Windows, Linux, Ubuntu, Windows Server.

## EXPERIENCE

---

### Cybersecurity Trainee – Green Circle for Cybersecurity

Nov 2025 – Feb 2026

- Performed vulnerability assessments and penetration testing on multiple systems to identify and remediate security risks.
- Enforced cybersecurity standards and access controls to protect critical infrastructure.

### Cybersecurity Trainee – National Cybersecurity Center (NCSCJO)

Jul – Aug 2025

- Monitored and analyzed security events using SIEM platforms and investigated security alerts in a simulated SOC environment.
- Conducted threat detection, log analysis, and incident response activities following SOC procedures and security best practices.

## PROJECTS

---

### SOC Detection & Incident Response Lab

Jun 2026

- Built a SOC environment with 3 integrated systems using Wazuh SIEM, Kali Linux, and Windows endpoints.
- Simulated SMB enumeration and brute-force attacks.

### SOC Security Monitoring Dashboard

Dec 2025

- Built a SOC lab using Wazuh SIEM for threat detection, alert analysis, and incident response.

### Penetration Testing Toolkit – DAN-TOOLS

Aug 2025

- Developed DAN-TOOLS, a cybersecurity toolkit with 250+ security and penetration testing tools.

### Facial Recognition System – Graduation Project

Jun 2025

- Developed a facial recognition system with Python, OpenCV, ASP.NET, and MySQL.

## EDUCATION

---

### B.S. in Cybersecurity – Al-Zaytoonah University of Jordan

2021 - 2025

## CERTIFICATIONS

---

- CCT – Cybersecurity Certified Technician (EC-Council)
- CCNA – Cisco Certified Network Associate

## LANGUAGES

---

Arabic (Native) | English (Professional Working Proficiency)
